Lieferungs- und Verkaufsbedingungen.

Alle Verkäufe geschehen auf Grund der nachstehenden Bedingungen, die jeder Besteller ausdrücklich durch Erteilen des Auftrages anerkennt.

1. Sämtliche Sämereien werden nur geliefert zum Anbau von Garten- und Feldfrüchten für Speise- und Futterzwecke sowie von Blumen, nicht aber zur Gewinnung von Samen (Nachbausaatgut). 2. Jede Sendung ist unverzüglich nach der Ablieferung zu untersuchen.

Hierbei erkennbare Mängel der Ware und der Verpackung, sowie Gewichtsdifferenzen sind spätestens am 3. Werktage, mangelhafte Keimkraft spätestens 3 Wochen nach dem Tage des Empfangs der Ware zu beanstanden. Mängel, die erst später erkennbar sind, müssen unverzüglich gerügt werden, sobald sie erkennbar werden. Bei Versäumung einer dieser Fristen gilt die Ware als genehmigt.

3. Sollte Empfänger wegen Mängel, die bei der Untersuchung erkennbar waren, oder wegen mangelhafter Keimkraft mit Recht eine Ware beanstanden, so ist Verkäufer verpflichtet, die Ware zurückzunehmen. Ersatzlieferung, Preis-

nachlaß oder Schadenersatz kann nicht verlangt werden.

4. Bei allen sonstigen Mängeln haftet der Verkäufer für Schadensersatz nur bis zur Höhe des für den betreffenden Artikel berechneten Betrages; eine weitergehende Haftung wird abgelehnt. Das gleiche gilt, wenn eine andere als die bedungene Ware geliefert ist. Erfüllungsort für beide Teile ist Erfurt.

6. Lieferungs- und Anbau-Aufträge, sowie Aufträge auf Artikel, die noch nicht gedroschen und gereinigt sind, werden nur unter Voraussetzung der Ablieferung einer Durchschnittsernte marktfähiger Ware angenommen. Bei geringerem Ertrag ist Verkäufer zu verhältnismäßiger Minderung berechtigt; Mißernte befreit von der Lieferung.

7. Der Versand geschieht nach Vorschrift auf Kosten und Gefahr des Bestellers. Im Falle keine Versandvorschrift

erteilt ist, handle ich nach meinem besten Ermessen, ohne jedoch eine Verantwortung zu übernehmen.

Transportversicherung wird von mir für Rechnung des Auftraggebers gedeckt, falls bei der Bestellung nicht ausdrücklich das Gegenteil vorgeschrieben wird. Es ist unbedingt nötig, daß bei der Abnahme des Gutes von der Bahn bezw. Post Gewicht und Stückzahl geprüft und gegebenenfalles das Mindergewicht oder die Zahl fehlender Stücke bahn- bezw. postamtlich bescheinigt wird. Äußerlich nicht erkennbare Mängel müssen gleich nach ihrer Entdeckung unter Hinzuziehung der Post oder Bahn festgestellt werden; die Anzeige an die Post muß innerhalb 24 Stunden, an die Bahn innerhalb einer Woche nach Abnahme schriftlich erfolgen. Schadensersatz-anspruche sind zunächst bei der Post oder Bahn zu stellen; im Falle der Ablehnung oder nur teilweisen Befriedigung veranlasse ich das Weitere und bitte, die behördliche Entscheidung mir zu diesem Zwecke einzusenden.

8. Die Preise verstehen sich frei Bahnhof Erfurt für netto Gewicht. Verpackung wird zum Selbstkostenpreis berechnet und nicht zurückgenommen.

Berechnet wird für 25 Kilo (kg) und darüber der 100 kg-Preis, für 43/4 kg und darüber der 10 kg-Preis, für 250 Gramm (g) und darüber der kg-Preis, für 50 g und darüber der 100-g-Preis, für 5 g und darüber der 10-g-Preis, für weniger als 5 g der 1 g-Preis oder der 10-g-Preis mit einem Aufschlag von 50 %; für 2500 Korn und mehr der 10,000-Korn-Preis, für 250 Korn und mehr der 1000-Korn-Preis; für 25 Portionen und mehr der Preis für 100 Portionen, für 5 Portionen und mehr der 10 Port. - Preis, für weniger als 5 Portionen der 10 Port. - Preis mit 20% Aufschlag. Gewichtsteile unter 15 Pfg. werden nicht abgegeben.

Zahlungsbedingungen.

Meine Lieferungen sind 60 Tage nach Datum der Rechnung ohne jeden Abzug fällig. Bei späterer Zahlung sind Verzugszinsen von 60/0 pro anno vom Tage der Fälligkeit bis zum Tage der Zahlung zu vergüten. Bei früherer Zahlung vergüte ich 10/0 per Monat Skonto.

Mir noch unbekannte Besteller werden gebeten, entweder Bank- oder andere gute Referenzen aufzugeben, oder aber

den Betrag der Bestellung im voraus unter Abzug von 20/0 Skonto einzusenden.

Nachnahme-Sendungen sind zu vermeiden, da sie außer sehr hohen Kosten auch Kursverluste verursachen.

Die Preise sind in Reichsmark gestellt, Gutschriften erfolgen immer erst an dem Tage und in der Höhe, wie sie in Deutschland bei mir eingehen.

Zahlungen erbitte ich durch Scheck auf Berlin oder auf Postscheckkonto Erfurt 1117 oder Reichsbank-Girokonto oder Bankkonto Adolph Sturcke, Erfurt.
